

SHREYA GUPTA

COMPUTER SCIENCE STUDENT

Lucknow, Uttar Pradesh Phone:8643041628 Email: shreya2k05@gmail.com

OBJECTIVE

Enthusiastic Computer Science student with a strong foundation in technical troubleshooting and system maintenance. Experienced in identifying root causes for software issues and committed to providing clear, effective technical support to end-users while maintaining strict SLA standards and high customer satisfaction.

EDUCATION

Bachelor of Computer Applications (BCA) 2023 – 2026 **Babu Banarasi Das University, Lucknow**

TECHNICAL SKILLS

- **Operating Systems:** Windows (XP, 7, 10, 11), Knowledge of Windows Native tools.
- **Software & Tools:** Microsoft Office Suite (Word, Excel, PowerPoint, Outlook, Project, Visio), Git/GitHub.
- **Technical Support:** Troubleshooting client software, basic network connectivity, and RESTful APIs.
- **Programming:** Python (Matplotlib, Seaborn), HTML, CSS, JavaScript, Basic SQL.
- **Concepts:** Debugging, Root-cause analysis, and following Standard Operating Procedures (SOPs).

PROFESSIONAL EXPERIENCE

Web Development Intern | Elevate Labs

November 2025 – March 2026

- Identified and resolved software bugs, performing root-cause analysis to ensure system stability and minimize downtime for end-users.
- Collaborated across teams using Git/GitHub to track technical issues and manage version control, ensuring all tasks were documented and resolved within quality standards.
- Assisted in the integration of components with APIs, demonstrating technical literacy and the ability to work within structured systems.

Data Science Intern | Unified Mentor

July 2025 – October 2025

- Conducted in-depth analysis of real-world datasets to identify patterns and resolve complex data issues.
- Followed established documentation and process guidelines for version control and basic deployment.
- Visualized technical insights using Python libraries to present data clearly and effectively.

Web Development Intern | SkillCraft Technology

July 2025 – August 2025

- Optimized front-end components to ensure cross-browser compatibility and meet strict client SLAs.
- Maintained technical accuracy during the development of client websites, reflecting strong attention to detail and process adherence.

SOFT SKILLS

- **Communication:** Exceptional verbal and written communication for effective user interaction.
- **Problem Solving:** Disciplined and systematic approach to technical issue resolution.
- **Organization:** Strong time management and the ability to prioritize customer tasks and complaints.
- **Interpersonal Skills:** Proactive attitude in collaborative environments and multi-team settings
